**Declaration of support for the European Charter for Researchers  
and the Code of Conduct for the Recruitment of Researchers**

The Institute of Geography and Spatial Organization of the Polish Academy of Sciences represented by Director Professor Marek Degórski – would like to express its acknowledgement of the importance of the Recommendation of the European Commission 2005/251/EC on “The European Charter for Researchers” and “The Code of Conduct for Recruitment of Researchers”

The Institute fully supports these recommendations and intends to respect and promote the guidelines contained in the Charter and Code.

Many of the rules of both the Charter and the Code have already been adhered to and are a common practice in the Institute. Nevertheless, the Institute declares to undertake appropriate measures to fully implement all of good practice principles presented in the Charter and the Code. We believe that this will enhance the quality of the conducted research and increase the prestige of the researchers.
