**Declaration of commitment by Institute of mechanics – BAS
to the Principles of “The European Charter for Researchers”
and “The Code of Conduct for the Recruitment of Researchers”**

Institute of mechanics – BAS welcomes the Recommendation of the European Commission 2005/251/EC on „The European Charter for Researchers" and „The Code of Conduct for the Recruitment of Researchers" (hereinafter referred as: The Charter and Code).

We understand the importance of Charter and Code principles and express our support to the efforts of the European Commission directed toward making the careers of researchers more attractive.

Institute of mechanics – BAS will try to implement these principles with aim of encouraging open and diversified career development for researchers. We will disseminate and promote the Charter and Code to our researchers and especially among those who are involved in the recruitment of researchers.
