

DECLARATION OF COMMITMENT TO THE PRINCIPLES **EUROPEAN CHARTER OF RESEARCHERS** AND **CODE OF CONDUCT FOR THE RECRUITMENT OF RESEARCHERS**

Donostia-San Sebastián, June 20th 2014

The Basque Government and the University of the Basque Country (UPV/EHU) fostered the creation of the Basque Center for Macromolecular Design and Engineering, POLYMAT Fundazioa, a Foundation that aims to increase the human knowledge in the area of polymers.

The Basque Center for Macromolecular Design and Engineering, POLYMAT Fundazioa, aims to contribute to the objectives of the European Research Strategy, by fostering the mobility of researchers and the Excellence at Science, and hereby declare the commitment of the Foundation to the principles laid down in the European Commission's recommendation of March 11 2005.

The will of the Basque Center for Macromolecular Design and Engineering, POLYMAT Fundazioa, is to contribute to the career development of the researcher community in polymers, according to the principles and recommendations of the Charter and the Code of Conduct.
