

UNIVERSITY OF CYPRUS

To the
European Commission

27 December 2010

Commitment of the University of Cyprus
to
The European Charter for Researchers
and
The Code of Conduct for the Recruitment of Researchers

The University of Cyprus, represented by its Rector, Constantinos Christofides, welcomes and fully supports the initiative of the European Commission.

Several of the general principles proposed in the Charter and in the Code are already common practices at the University of Cyprus. Nevertheless the University of Cyprus will make sure that all further initiatives will be in line with the Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

The University of Cyprus will disseminate and promote the Charter and the Code to its staff and researchers and especially among those persons and groups who are involved in the recruitment of researchers.

Kind regards,

A blue ink handwritten signature of Constantinos Christofides is written over a circular official seal of the University of Cyprus. The seal contains the university's logo and the text "ΠΑΝΕΠΙΣΤΗΜΙΟ ΚΥΠΡΟΥ" and "UNIVERSITY OF CYPRUS".
