

Logroño. February, 22th, 2018

Declaration of Commitment of Fundación Rioja Salud to the principles of the *European Charter for Researchers* and the *Code of Conduct for the Recruitment of Researchers (C&C)*

The Fundación Rioja Salud (FRS) is a regional governmental foundation under the authority of the Regional Ministry of Health. According to its statutes, FRS aims to promote and protect Health in any of its aspects through teaching, research, development and innovation of the Health Sciences, seeking medical excellence, research and technological in the region, as well as of the promotion of technological innovation, knowledge and technology transfer and the participation in EU and International funded Research & Development and Innovation programmes.

FRS welcomes the initiative of the European Research Area (ERA) of the European Commission and having endorsed the 40 principles of Charter and Code, notify you about our commitment to get involved into the process of implementing a Human Resources Strategy for Researchers (HRS4R) in our institution.

By its commitment to the Charter & Code, FRS express its intention to engage in this transnational effort to improve the working conditions for researchers throughout the ERA, an open labor market for researchers, facilitating mobility, support for training and the guarantee of an attractive career, and optimal transnational cooperation, on common research agendas, great challenges and infrastructures.

Mr. Francisco Javier Aparicio Soria
Manager Director
Fundación Rioja salud
