Regarding: Endorsement to 'The European Charter for Researchers' and 'The Code of Conduct for the Recruitment of Researchers'

The Institut Chiari & Siringomielia & Escoliosis (ICSEB) de Barcelona has discussed in depth the content of the "The European Charter for Researchers" as well as "The Code of Conduct of Recruitment of Researchers" and agrees that our institution is in fulfilment with stated principals and we hereby confirm our commitment to recommendations of the Charter and Code.

The Institut Chiari & Siringomielia & Escoliosis de Barcelona strives to employ both to ensure a high level of quality in research programmes and for participating researchers. The centre subscribes the outlined principles in order to promote transparency, accessibility, equity and excellence not only in the conduct our research but also in its organizational frameworks.

ICSEB welcomes and understands the meaningfulness of the effort of the European Commission to work towards unified standards of ethics, quality and opportunities in research and works to enforce those values.
