

To the
European Commission

Commitment
of the Scientific Research Center of the Slovenian Academy of Sciences and
Arts to
The European Charter for Researchers
and
The Code of Conduct for the Recruitment of Researchers

The Scientific Research Center of the Slovenian Academy of Sciences and Arts, represented by its director general, Oto Luthar, fully supports the initiative of the European Commission and the recommendations provided in The European Charter for Researchers and The Code of Conduct for the Recruitment of Researchers.

The Scientific Research Center of the Slovenian Academy of Sciences and Arts commits itself to applying The European Charter for Researchers and The Code of Conduct for the Recruitment of Researchers. The principles of both documents will guide and support our endeavors to maintain and foster high-quality research activities and to provide a fair and inspiring research environment for researchers.

The Scientific Research Center of the Slovenian Academy of Sciences and Arts will consistently promote the Charter and the Code among its members, and especially among administrative staff and those responsible for the recruitment of future researchers.
